**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The communication filed July 15, 2004 is not fully responsive to the Office communication mailed January 20, 2004 for the following reason(s): The amendment to the claims does not comply with the revised format for claim amendments according to 37 CFR 1.121. Specifically, claims 20-47 were cancelled in the amendment filed March 03, 2004. However, in the amendment filed October 20, 2004, claims 20, 24-30, 41, and 43-44 are listed as being pending with the status identifiers "Original" or "Previously amended." However, as claims 20, 24-30, 41, and 43-44 have been canceled, the appropriate status identifier, "Canceled" should be used. It should be noted that the Office action mailed April 29, 2004 listed only claims 1, 4-10, 12-16, and 18-19 as being pending in the application. Appropriate correction is required.

Since the reply appears to be a bona fide attempt to comply with the requirements of 37 CFR 1.121, applicant is given a TIME PERIOD of ONE (1) MONTH from the mailing date of this communication within which to correct the deficiency so as to comply with the revised amendment practice according to 37 CFR 1.121 in order to avoid abandonment of the application.

Any inquiry concerning this communication should be directed to Examiner David J. Steadman, Art Unit 1652, whose telephone number is (571) 272-0942. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ponnathapura Achutamurthy can be reached at (571) 272-0928. Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.
